

1. Log in to <https://express.ctic.ca> using your <username> and <password>
2. Select <quotes> near the top-right corner.
3. Complete the <quote generator> with the deal-specific information, starting with the selection of Residential.
4. If applicable:
 - a. Select <private lender>
 - b. Select <transaction protection endorsement> (most law firms obtain the Transaction Protection Endorsement automatically but for the purposes of a quote please remember to select the two boxes <owner> and <lender>).
 - c. Condo/strata, resale and new home policies have a reduced premium compared to freehold homes so remember to select these property descriptions.
5. Select <get quote>. Screen will refresh.
6. Scroll down the page and quote will appear at the bottom of the information entered. You may also email the quote for your records.
7. Your quote will be saved in <quote history> for future reference.

Chicago Title is a leading provider of title insurance, specialty insurance, claims management services and information services.
