Plumbing, electrical, heating and air conditioning - no matter when a problem occurs, simply call the 24-hour toll-free line, and the Encompass Home System Warranty Program will handle everything from there. If covered, arrangements will be made for a qualified repair technician to come to your home and make sure the problem is taken care of to your satisfaction.

- Take advantage of up to $10,000 per year in repairs to your home's plumbing, electrical, heating and air conditioning systems
- You only pay the $50 consultation fee per incident
- Parts and labour including overtime and after-hours charges for emergencies

A warranty certificate will be e-mailed to you, shortly after you enroll, but if you'd like to review the details of the coverage before then, visit www.encompasshomeservice.com/ChicagoTitle/certificate.php

A reminder notice will be mailed to you approximately 45 days before the end of your complimentary period, confirming that a monthly fee of $17.69 plus tax will be collected from the bank account or charged to the credit card you have designated below.
