Better protection for the priority of subsequent mortgages

Mortgage Priority Endorsement

The new Mortgage Priority Endorsement is now available to insured lenders for residential transactions in **Alberta, British Columbia and Ontario**.

This endorsement will provide coverage to lenders who are not in first priority over future advances made by prior lender(s), after the registration of the insured mortgage, for which the prior lender claims priority.

Simply click **Yes** to the new Mortgage Priority Endorsement question on your ordering platform and the endorsement will automatically be added to the residential loan policy.

Additional premium: \$75*

This new endorsement contains coverage requirements; please review them carefully to ensure the insured lender fully benefits from this coverage. The coverage requirements will automatically generate on the endorsement attached to each policy.

*Plus 8% tax in Ontario.
